Chokee77

As the '77 Cherokee emphasizes the western history of the Texans, this cover depicts our frontier beginning. Drawn by Jim Alexander, it features a Texan and a lone Indian, perhaps a Cherokee.

Why a Cherokee, and why does our yearbook bear its name? In a 1963 contest, junior Dub Fenley submitted the title that later won an all-school election. The name was appropriate because Sam Houston lived with the Cherokee Indians and became a blood brother within the tribe. We felt this fact was important enough to deviate from the traditional red, white and blue cover, and we hope you agree.

Thank you for letting us cover your story.

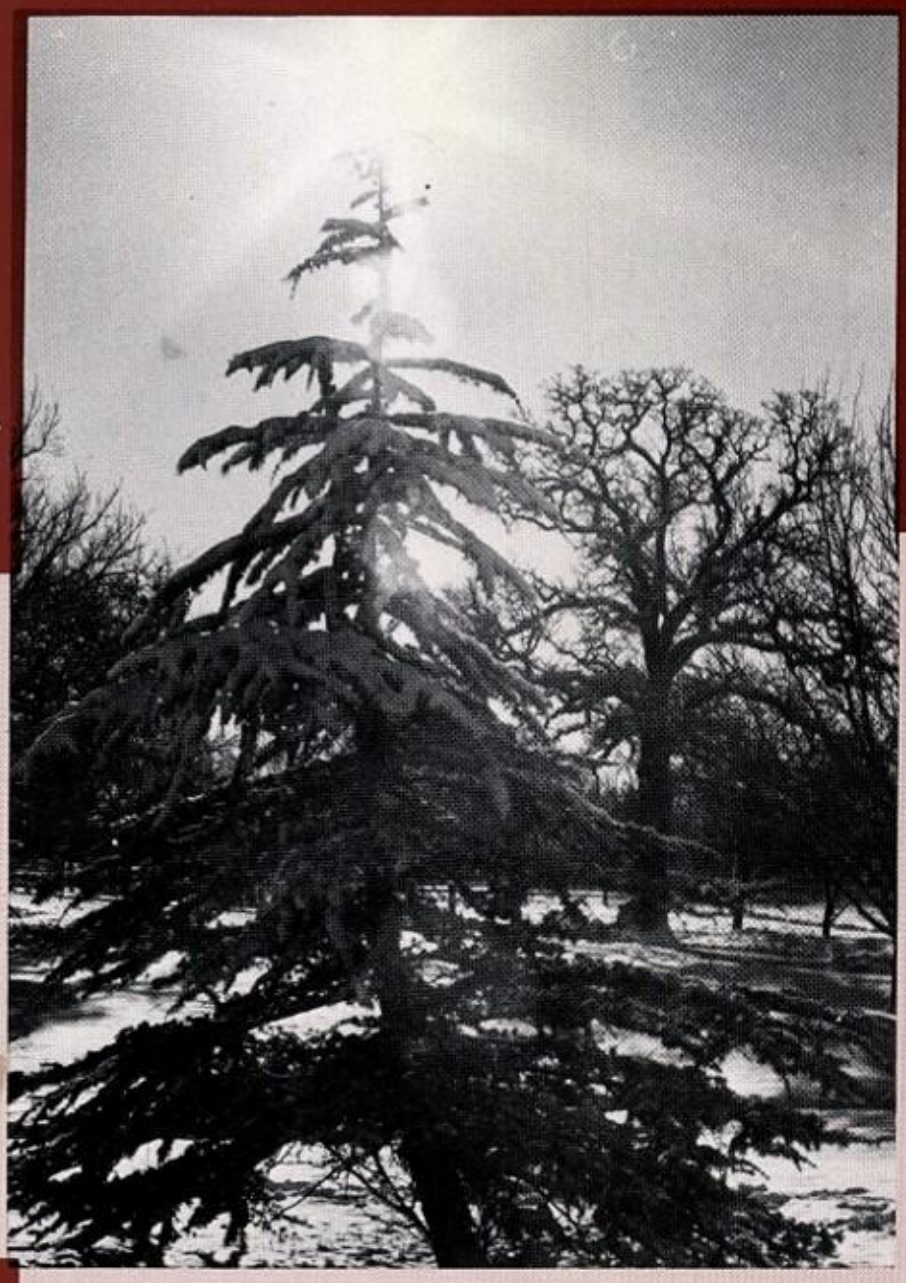
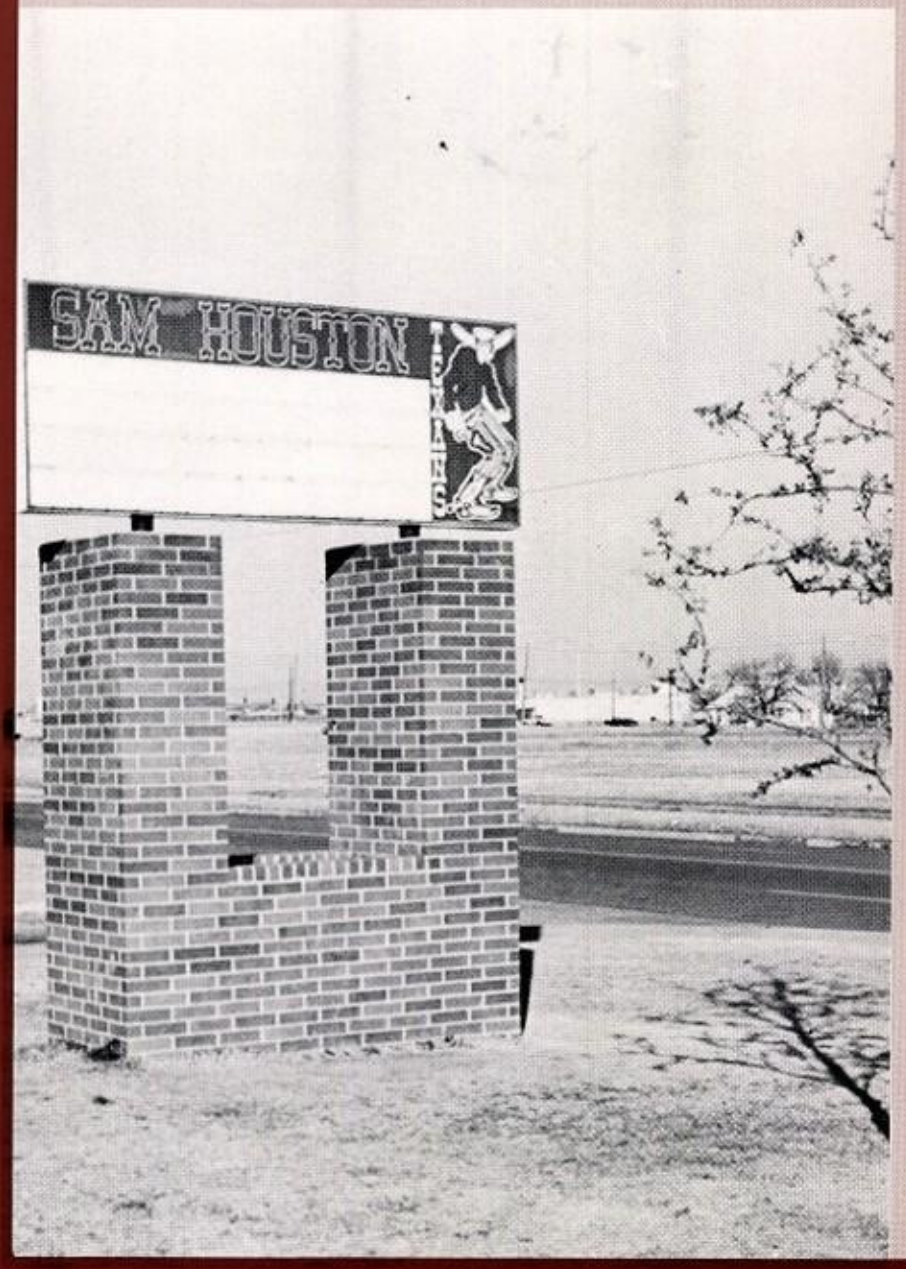
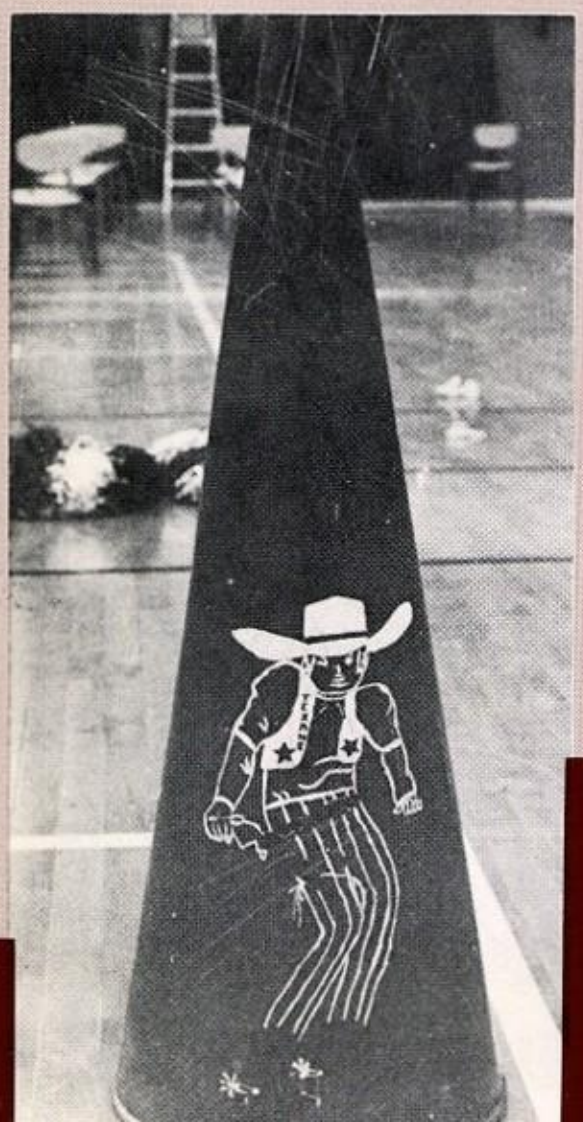
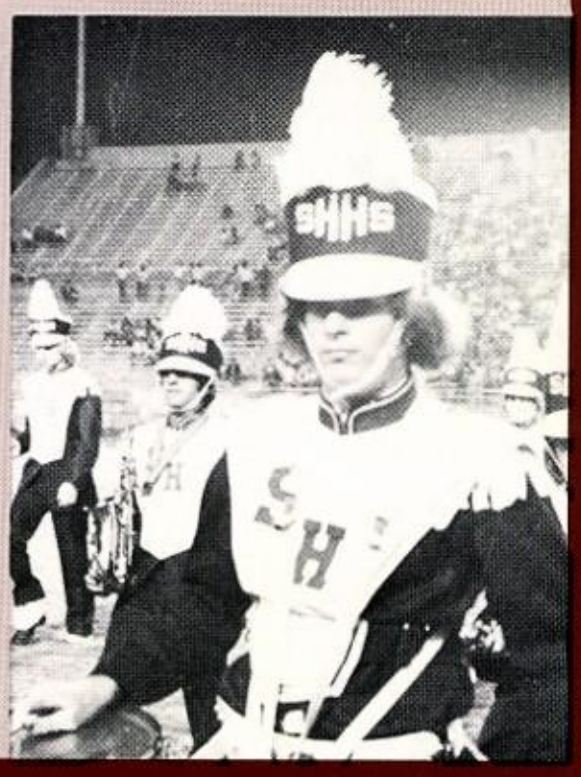
Texans



Who else could be more Texan than we are? We have the Texan teams, the Texan Band, the Tex-Annes Drill Team, and the Long Tall Texan mascot.
Texans Talk is the name of the bi-weekly newspaper and we call our yearbook, Cherokee, after Sam Houston's blood brothers.
The choirs are named Singing Texans, composed of guys, and the girl counterpart, the Texan Belles.
We participate in a Texan Day carnival with Wild West gunfight shows and game booths, sponsored by clubs.
Students and faculty dress up in western wear.

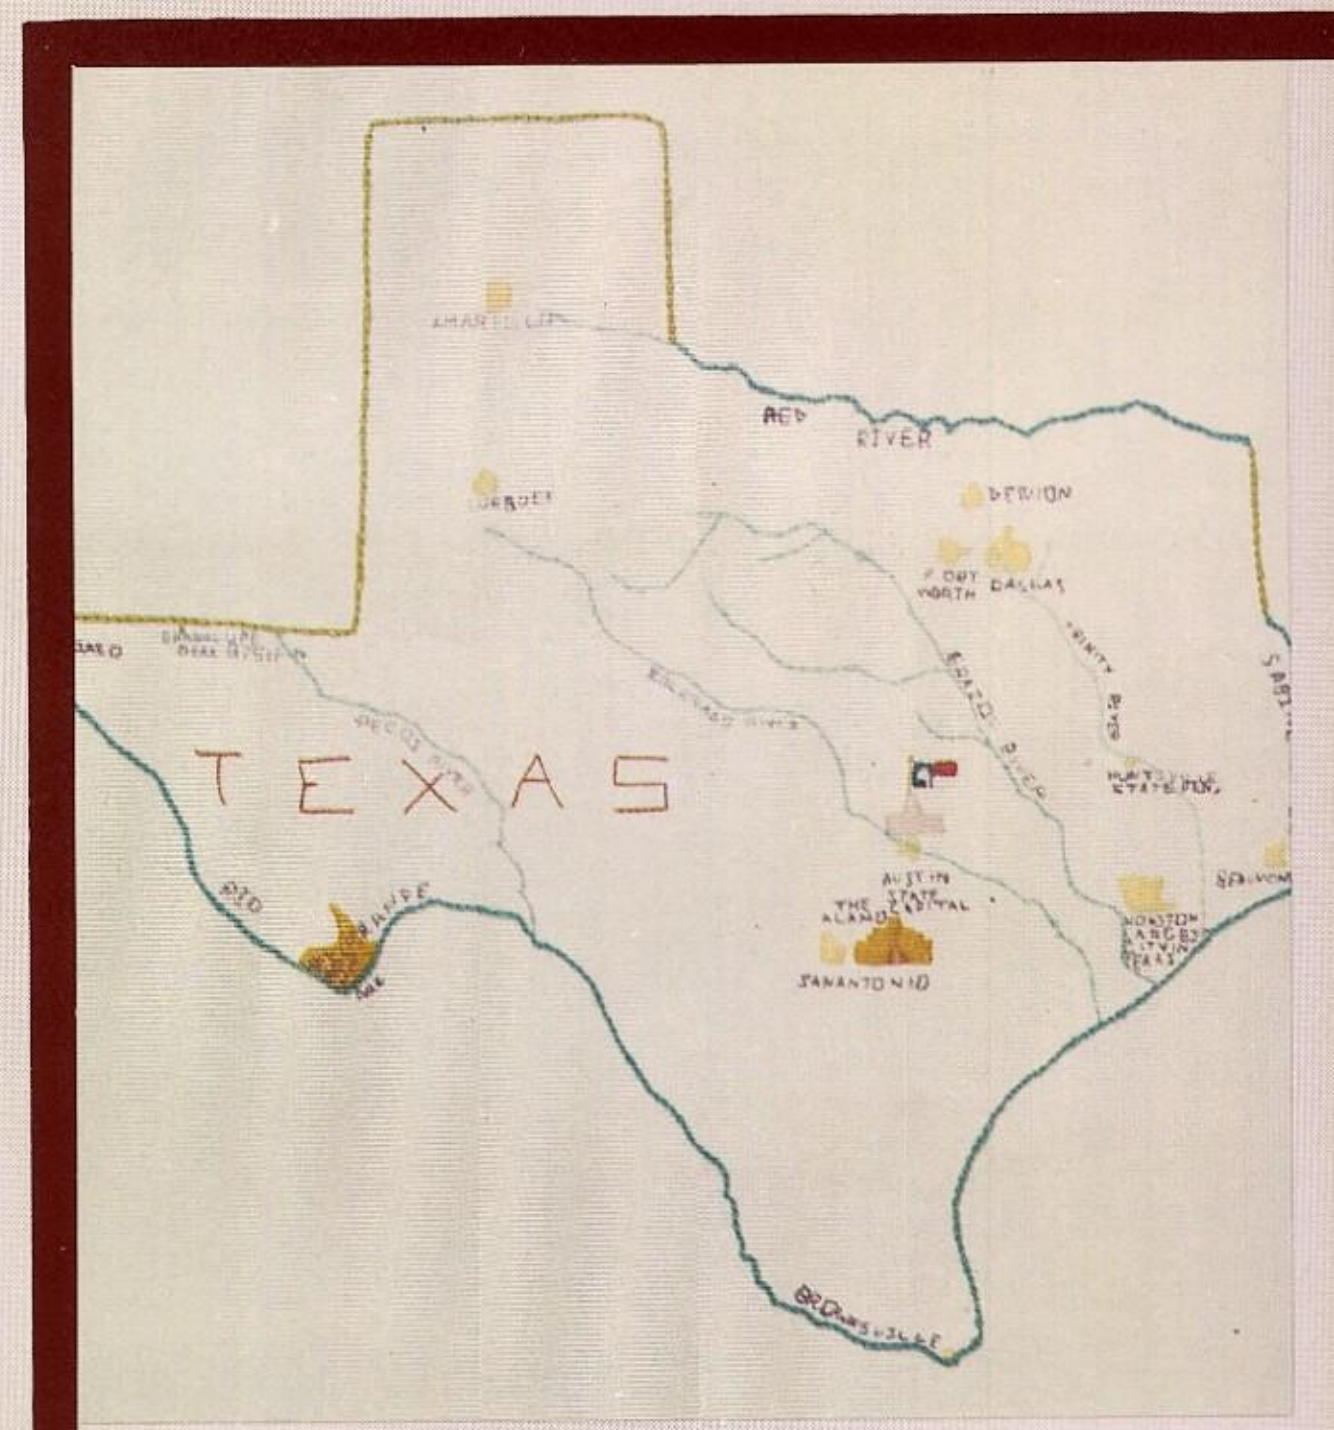


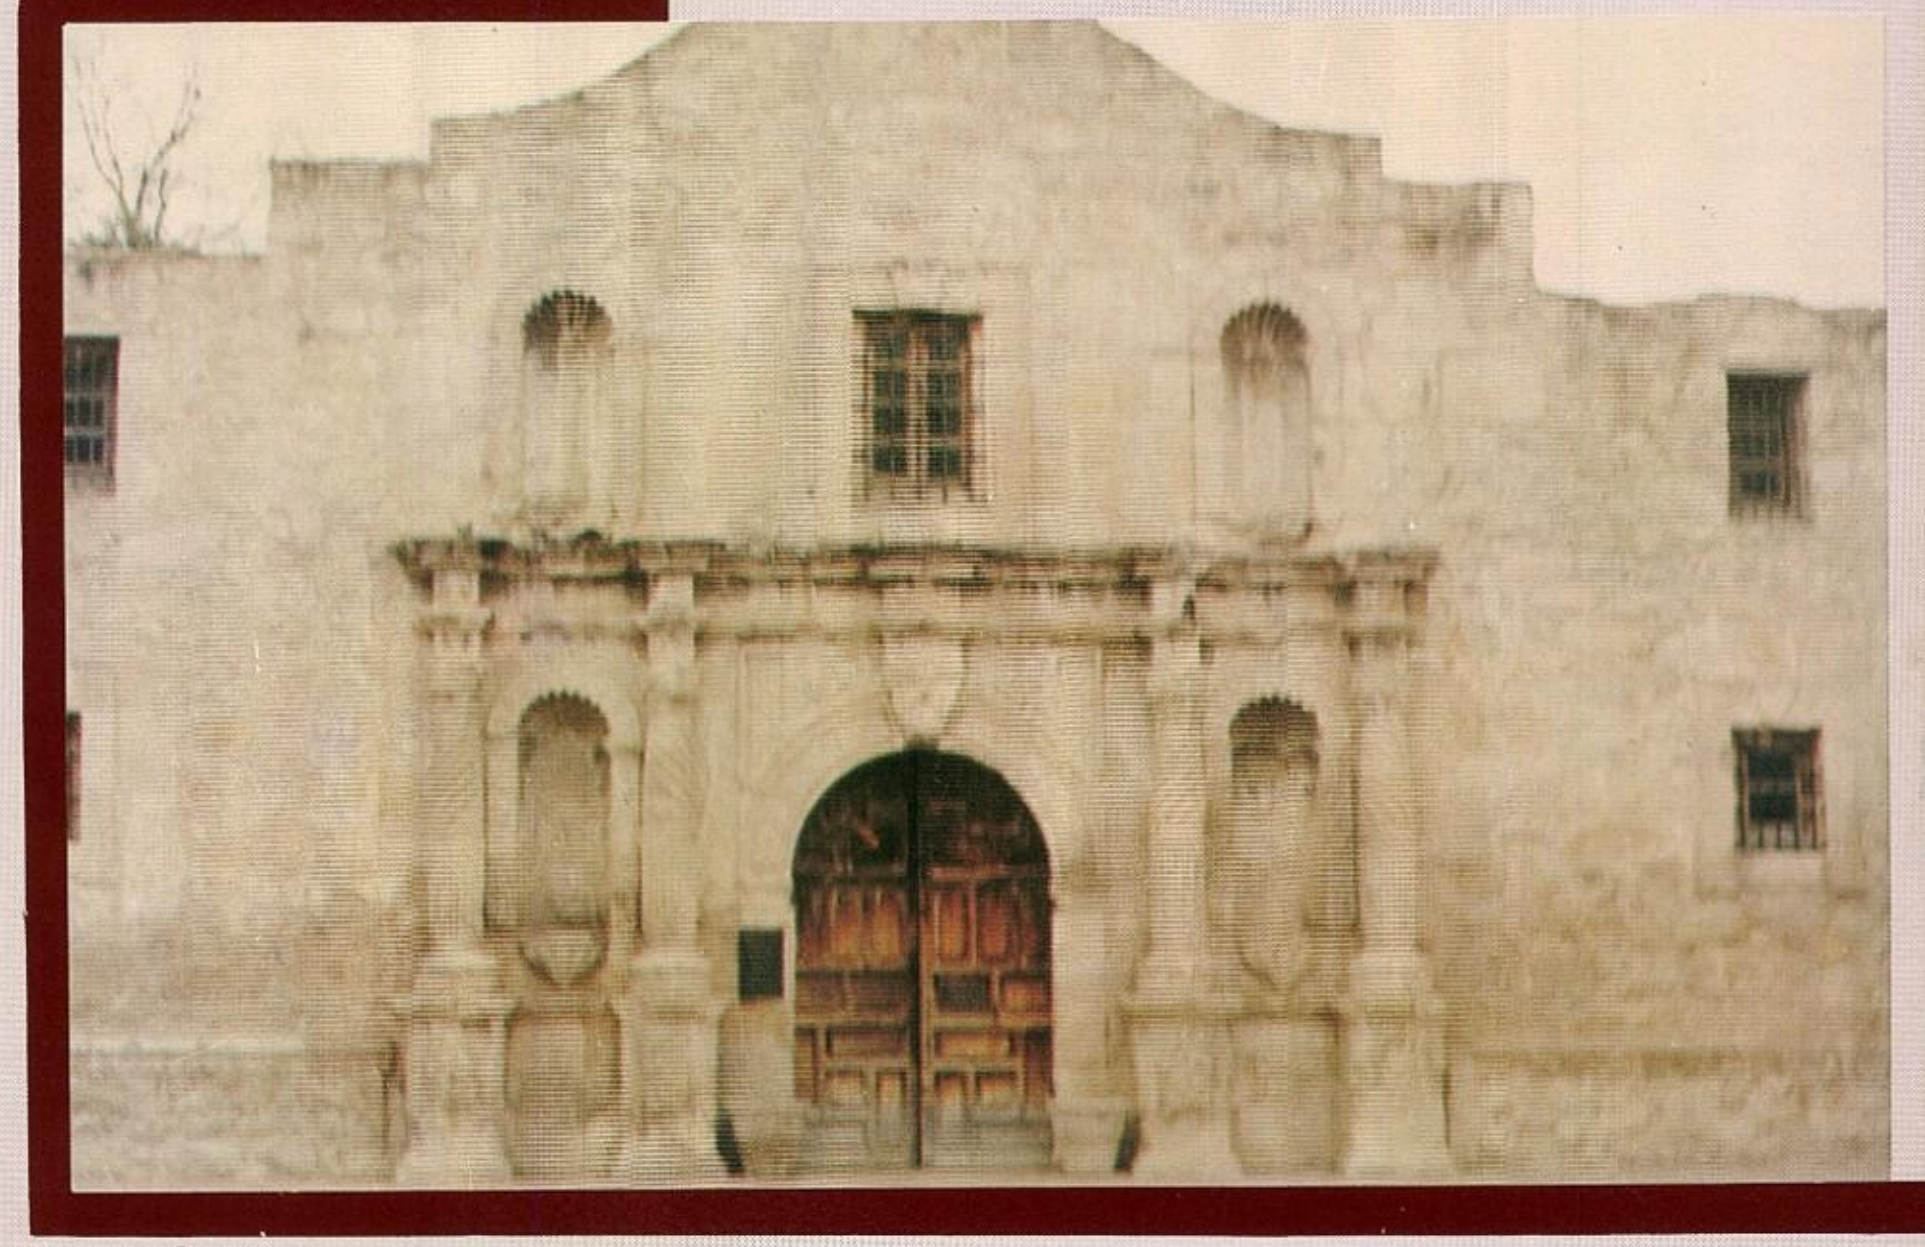




Texas

Texas history plays a great part in our western culture. The area we now know as Texas was first explored by the shipwrecked Cabeza de Vaca in 1528. The Spanish named this area Texas, which came from the word Tejas, meaning friends. In 1836, Texans declared independence from Mexico. The battle of the Alamo was a loss for San Antonio, but enabled General Sam Houston to gather reinforcements. The Battle of San Jacinto in April, 1836, won the battle for Texas independence. Sam Houston continued to lead Texas by having been President of the Republic of Texas for two separate terms. Texas was admitted to the Union in 1845. Houston served as governor and Senator of the state of Texas.





The historic value of Sam Houston High School and its origins has provided students with a challenge to learn.

"The benefits of education and useful knowledge, generally diffused through a community, are essential to the preservation of a free government."

Rain hinders crowning of Dino as new queen

Rain! Unfortunately, that is exactly what happened October 15 — Homecoming. The downpour continued throughout the game so that the halftime activities were "washed out." But the rain did not seem to "dampen" the excitement of the announcement of the queen, Tex-Anne captain, Dino Reed. All was not cancelled for Dino, however. She was given her crown, roses, and a kiss from Congress president Gerald McMillan who found her as the announcement was made. Dino's official presentation was November 5 at the LHS game. The other seven finalists were Brenda Garcia, sponsored by Newcomers Club, Julie Hyden, backed by the Foreign Language Club, and Cathy Rhue who was the nominee chosen by the National Honor Society. Cherokee FHA chose Amy Schrickel as its candidate, while Pam Warters was the Science Club's hopeful. Leigh Anne Willis was supported by the Mighty Texan Band, and CVAE elected Mary Wilson as its finalist.

Caring! The bellguards certainly contributed to the excitement of each game and weekly pep rally. Serving as bellguards were Billy Armstrong, Rick Carnett, Gina Davis, and Kathey Hays. They were elected to protect the bell and bring it to games. The bellguards helped with all the pep rallies by working on and participating in most of the skits. They led cheers at the games and in the halls. Their spirit was always present. Caring was indeed a trait of theirs. Whether at a sports event, play, or social event, the bellguards were found supporting everyone and everything at Big Sam.

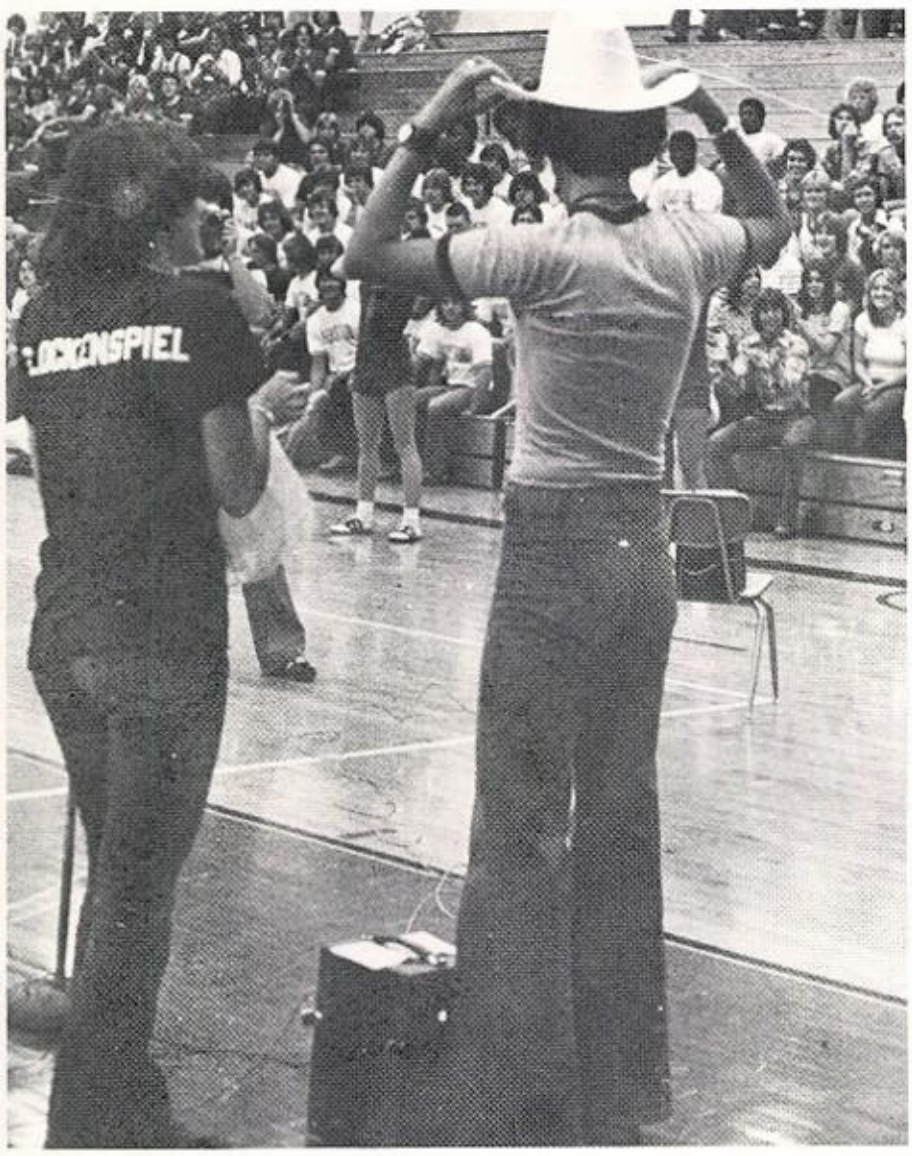
Jorgen Greve

Jorgen easily makes American adjustments



A

Changes! This year's AFS exchange student had many changes in his lifestyle.

Jorgen Greve was our foreign student from Gadstrup, Denmark.

He arrived in the United States in August.

It didn't take long for Jorgen to realize that the lives of American students were always busy.

He lived with senior Larry Worley and his family.

AFS kept Jorgen busy. He appeared in Li'l Abner as a dancer and Cedric Softwicke.

World Awareness was another club that took Jorgen's time.

Jorgen returned home to Denmark in early June after spending 10 months in Texas.

'Mickey Mice' transform to Big Sam Texans

Howdy! That, along with "Sing, Sophomore," were a more than common greeting to sophomores on September 15. Little did they know that the avengeful juniors lurked behind each and every corner. A fake fire drill started off the day's activities. But, the upperclassmen used their "seniority" over both of the other classes. Overseeing all were the chosen sheriffs, who had jurisdiction over everyone. The tradition continued until the pep rally, when the "mice" were allowed to dispose of their ears. Howdy Day certainly proved to everybody, "There are no strangers in the halls of Sam Houston."

Loud! Pep rallies were surely that. Spirit was high. Many things made up each pep rally. Skits were a fun part, ranging from science-fiction to famous movies. The Mighty Texan Band added to the excitement with its music and high spirit. The Tex-Annes performed routines at each rally, which everyone enjoyed. "Sam's Son" was present to "ring out" another victory. The awarding of the spirit stick was always a big event. The Senior Class won the spirit stick seven times. Whether yelling a cheer, laughing at a skit, or singing the alma mater, the students and faculty helped to make pep rallies some of the best moments during the year.

Door decorations went to Mrs. Tommie Williams' assistants, while room decorations were won by Coach Don Louis' class. The juniors were awarded first place in hall decorations and spirit chain. Best float and the Homecoming spirit stick were also won by the Junior Class. The traditional high spirit returned, as did the exes, to help make another fantastic Big Sam Homecoming.

'Pooh' visits Sam's forest in September

Action! This was heard many times by 12 drama students during the September 18 and 25 productions of "Winnie the Pooh."

More than 3500 people attended the fourth children's show since 1970, which cleared more than $1500.

Among the cast members were Billy Barge, David Pucek, Chris Henz, Joni Brake, Jill Parker, Billy McCoy, Rhonda Owens, and Janine David. Lynn Mercer, Sandy Webb, Debbie Wells, and Tony Perrett portrayed Pooh's friends of the forest.

Rhonda Owens was student director for the show.

'Tom Jones' journeys to Big Sam's stage

A

B

C

Delightful! The fall production of "Tom Jones" was a very enjoyable show.

The humorous and fast-moving pace of this comedy provided true entertainment for all.

The scene was in the 1750's. Tom Jones, a foundling, fell in love with Sophia, and she was in love with him.

But her father protested and claimed that she would marry young Blifil, an heir.

The amorous adventures on the road to London helped to bring the happy ending to life.

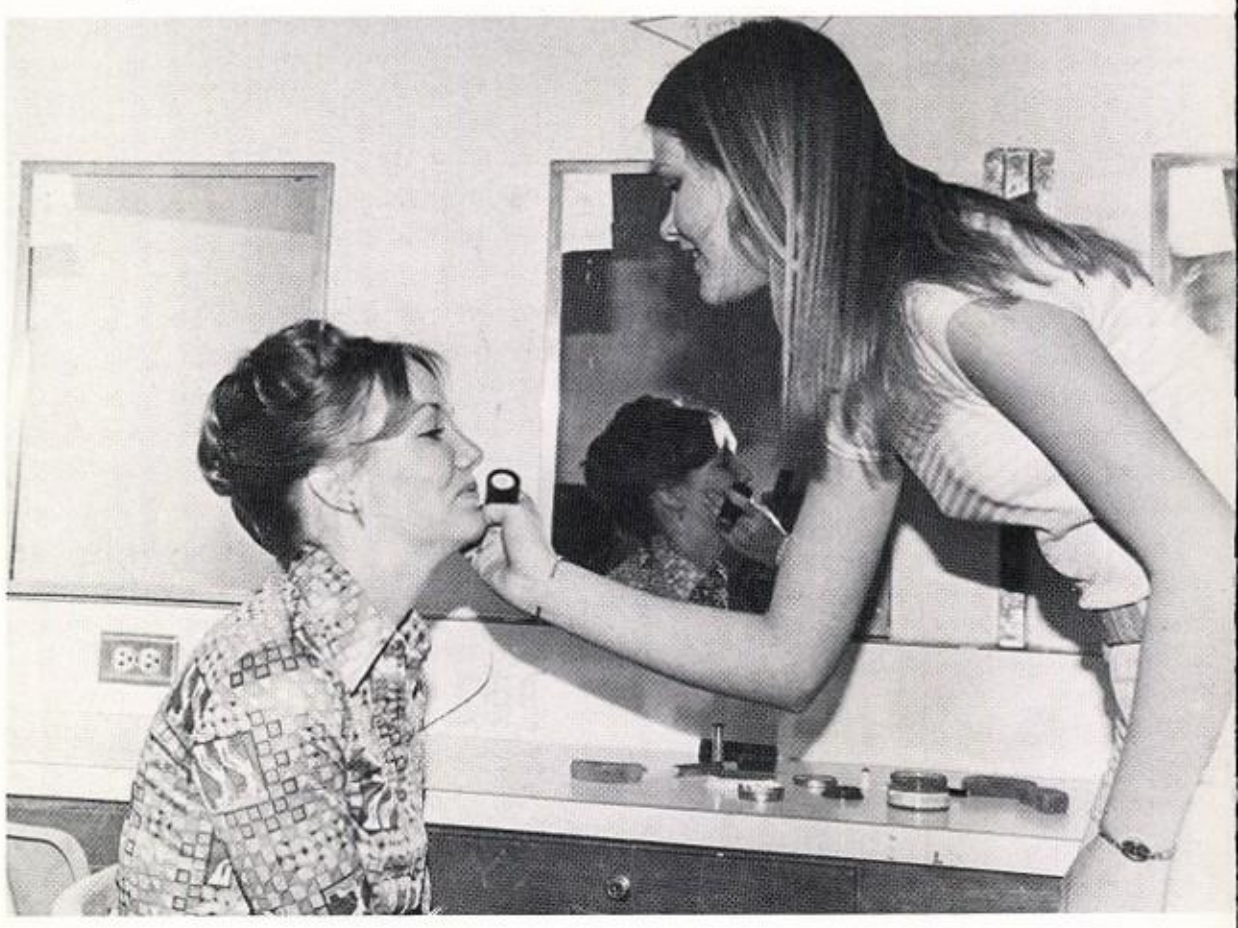
A



B

Music! The gala musical production of Li'l Abner was enjoyed by all who attended. With a full house almost every night, the quality of the show spoke for itself. More than 50 students made up the cast with about 75 involved in the crews. An orchestra provided live music during the three productions, January 27-29.

Winter snow makes perfect icy playground

Winter! Was it ever a severe one! The coldest previous average temperature was set in 1940 at 34.9° F but was broken this year at 34.7° F. January was a record breaker month with the chilliest day, the 31st, being 10 degrees. Snow deepest recorded was 4 inches. Texans keep latest looks

Fashion! Who needs it? Well, everybody was into it. Texan favorites were jumpsuits, skin tight jeans, and ever-faithful overalls. Dress pants worn with clingy nylon shirts were acceptable; gauchos, boots, and knickers topped the lists. Fashion surely was here in '77.

'Happy Days' are here again

Nostalgia! The week long activities helped to show that life in the 50's was as busy as in the 70's.

On January 6, a 50's movie was shown in the auditorium. Bye-Bye Birdie was the movie.

January 13 and 14, a 50's Day show was given in the cafeteria during 4A and 4B lunches. Sam's ZZ Grease and Pointer Sisters made special appearances at both shows.

Friday, 50's Day, was started by a pep rally that morning. As the day wore on, bobby socks and brill cream were a more than common sight.

Everyone seemed to enjoy returning to the romantic days of yesteryear.

But when the day was over, no one was disappointed in having to wash off the red lipstick, and take off the chains and leather jackets.

Texan! March 25 was the day of the Texans.

The gunfights during the lunches started the day's activities with a big "boom."

The Texan Day Carnival was hampered by bad weather, but the excitement was still there.

There were many new activities. AFS sponsored a bucking bronco, while the Journalism Department provided a milkshake saloon with live entertainment.

Choir held a gong show. A kissing booth was sponsored by the Junior Class, while the sophomores had a sophomore country kitchen.

Diligence! With dances, toy drives, and parties, Student Congress really kept the students hopping. Senior members also participated in Kiwanis Youth Day. They took over city government jobs for the day and were treated to a Kiwanis sponsored luncheon. Sponsors Mrs. Darcy Kirby and Mr. G. A. Texan Band adds a touch of class to spirit

A

March! That was the idea that was planted into the minds of band members during the football season. The Marching Band, consisting of approximately 110 members, put in many hours of work in order to put on crowd pleasing halftime shows.

The Marching Band was led by senior drum major Leigh Anne Willis. She was assisted by junior drum major Richard Lynch.

Along with the Marching Band, there were three other main divisions: Stage Band, Super Band, and Concert Band. Concert Band was divided into two separate groups this school year. The first was led by Mr. Bob Rober. The larger one under the direction of Mr. Jeremy Walker competed with other 4A second group bands. Band members spent a lot of their time practicing for contests. Members participated in the UIL, Castleberry, UTA Jazz Festival, Solo and Ensemble, Stephenville Jazz Festival, and Sam Houston State University contests. The band earned first and second ratings there.

At the climax of the UTA Jazz Festival, Charles Swadley was named All-Star musician. Charles also was given an outstanding musician award with Ken Masters, Steve Waller, and Stan Poland.

At the Stephenville Jazz Festival six members were awarded positions in the All-Star Band. These were Charles Swadley, Ken Masters, Brad Sparkman, Gray Rober, and Jason Phillips. Kelly Payne was given honorable mention.

To put a finishing touch on a good year, the Band Booster Club gave the band members a banquet. The club awarded a total of $300 in scholarships to be used toward band camp.

Band Camp was held during the month of June for incoming sophomores. A total Band Camp was held the week before school started to practice marching routines. Special Band Camps were held on college campuses.

The Tex-Annes get bigger and better with age

Kicks! The drill team's high kicks boosted Sam's spirit during the football season. There were times when the spirit was low and nothing but the drill team's big smiles and cute routines would pick up the spirit. Their smiles grew prettier and bigger when the student body joined in on their routines.

Under the direction of Miss Patricia Riggs, the Tex-Annes have grown bigger and better with each passing year, and this year was no exception. The drill team learned the routine for the week from 7 a.m. until 9:30 a.m. each day. With a standing ovation from the student body at several pep-rallies, the girls realized that their work was appreciated.

To help them with their imaginative routines, the drill team received beautiful tambourines this year. They also were given new pep-rally uniforms by the school board. The shirts were gingham red, and the reversible skirts were colored red and blue.

Friendship links were sold during the spring with homerooms competing. Mrs. Judy Baskey's homeroom won a lunch at Steak and Ale. Students collected over $220.05.

AFS Day was a busy day with two assemblies and a luncheon. There were classroom visits from foreign exchange students from the other area high schools.

Danish culture was observed by those who knew Jorgen Greve, Sam's foreign exchange student.

Two juniors were accepted for Americans Abroad. Tim Cooley left for New Zealand in January. He attended school there, and will return in the month of January.

Sam's wins ended with a loss in quarterfinals to Lubbock Monterey.

The Texans dominated post season honors by placing 15 men on the All-District team, including defensive player of the year, Mike Guadagnolo. Sam also had four named to the All-Tarrant County team, two made All-Greater Dallas, three All-State and two Super All-State.

Head Coach James Hyden, for the third time, was honored as district coach of the year. Under Hyden, the Texans have won three district crowns and claimed six playoff victories in the last four years.

What everyone thought would be a somewhat disappointing season turned out to be one of great accomplishment for the first year Texans.

Compiling an overall 5-4-1 record, the JV Texans showed the talent that it will take to make a more productive varsity team.

Sam opened the season against Kimball and was overwhelmed 35-13.

The Texans came back and won three straight before being defeated by Bowie 16-0.

In the next outing the JV beat the Cleburne

Tough rivals stop Texans short of goal

Returning only five members from a 27-7 bi-district champion team, the Texan roundballers had a tough time compiling the same record as last year's squad.

Finishing 11-21 on the year, Sam had little floor experience and not much height, which has always been a problem for the Texans.

All-District postman Mark Moody was Sam's tallest player standing at 6'5".

The roundballers never had a permanent five but rotated back and forth several games. By bringing sophomores Steve Crain and Terry Mayo up to varsity in pre-season play and Brad Brewer and Dennis Boswell in the second half of district, Houston gained a lot of floor time for next year's district competition.

Even though the Texans totaled a six and eight district record, five of those losses came within six points or less. As Houston had a disappointing season, next year should be better with four sophomores already with varsity experience and an upcoming B-team which finished 11-3 in district.

Varsity makes memorable last half attempt

On March 18, the Texans held their annual Basketball Banquet in honor of the varsity and B-team players. UTA's head basketball coach Bob "Snake" LeGrand was the guest speaker at the banquet for the second year. Receiving awards were as follows: Most Valuable Player, Mark Moody; Most Accurate Free-Throw Shooter, Tommy Danner; the Mad Dog Award, Craig Roberson; and Defensive Player of the Year, Lester Stoker. All of the preceding recipients were seniors.

Houston's B-team basketball was the first ever to win 20 games or more in one season. Even though losing four starters to varsity, Houston finished 21-14 on the year and 11-3 in district, runners up went to Arlington High for the district crown. During the year, Sam averaged 55 points a game, while the defense held the opponents to 52. Dennis Boswell was high point man with 439 and Malcolm Pippins scored 412. Losses to Cleburne once and Arlington twice, kept the roundballers out of first place. The B-team played in three tournaments. The Texans won second place in the Grapevine Tournament after losing to the host team on December 4. A win over Irving High gave Sam a third at the Little Classic that same month.

Playing under a respected and experienced coach like Tommy Cantrell, the Texans usually receive in pre-season predictions that are tough to live up to. However, this wasn't the case for the Big Sam team. After a slow start, the Texans became strong competitors and ended just shy of their goal of a district championship. The hardballers will probably be remembered for their ability to bring in the runs and for being able to steal bases.

JV finishes second in district competition

The Sam Houston JV baseball team finished second in the district race behind crosstown foes, Lamar Vikings. It seemed as if it were a year of duos for the JV team. The brilliant pitch of Glenn Hargrove and Bubba Schafer became a hard twosome to beat. While the Texan pitchers were striking out their opponents John Ford and Craig Hamic were adding punch with the bat. Overall the Texan JV baseball team astonished many of their opponents and showed many of the great qualities it takes to make a really good baseball team. Coach Tommy Cantrell believes that this JV team will produce a winning varsity team next year.

With the Arlington schools limited to intra-city play, rather than district or state the Texans played a tough six game schedule. Having Gary Schutte at the helm of the Big Sam booters, the Texans were well prepared for their first game against the Bowie Volunteers which they won.

Arlington High handed Houston its first defeat. After another loss to a new challenger, Lamar, the Texans revamped Bowie.

With another defeat by the Colts, the Texans played their final game, a rematch with Lamar which ended in a tie.

This left the Texans just a little under .500 ball at 2-3-1 for the season. The B-team was 1-4-1 for the year.

Spikers finish a close second in district play

It was a good but frustrating year for the Volleyball Squad. Losing only three games and winning 11 on their district schedule, the Texans failed to capture first, finishing a close second to state bound Arlington High.

The first blemish came from Lamar on September 30. With this loss, the Texans could only hope to tie for the first half of district by playing cross-town rival AHS. Defeating the Texans in two games, the Colts took the first half title.

Going undefeated the second round until the showdown again with Arlington High, the Texans had to win the game to stay in the district area race with AHS. The Colts won both games by a lopsided score, giving Sam a second place, boosting AHS to the state play-offs.

The girls' track team participated in six meets this season. In their sixth season of competition, the girls placed second as a team at the Colt-Viking Relays, and at the Duncanville Relays, they placed third as a team.

In district competition, the team came in second. The 440 relay team, consisting of Debra Worley, Jeanean Dalby, Angela Henry, and Joyce Gambrell, placed first but was disqualified because of an incorrect lane exchange. Pam Warters took second in the hurdles. Joyce Gambrell was right behind Warters, placing third in the same event.

The 880 relay came in second, while Mary Morris placed second in the high jump.

Brenda Garcia placed third in the 880, and Sharon Krystinik also placed third in the open mile run.

Debra Evans placed first in the shot and discus at district, first in the discus and second in shot at regionals, and advanced to state, placing fifth in the discus and third in the shot.

Golfers tee to sixth place

Big Sam's Golf Team did quite well in the 13 tournaments students entered, placing anywhere from fourth to ninth in competition. Sam's best outing came in Denton where golfers placed a cool fourth.

In the district tournament, Sam came in sixth. The tournament was held at four courses, Burleson, Haltom, Cleburne, and Arlington.

Randy Hague missed being district medalist by one stroke in the tournament. Golfers also competed in a two day tournament, where 33 teams from Texas and Oklahoma were represented. Randy Hague was also recognized by winning the Mike Green scholarship. Coach Wallace Johnson expects some good golfers back next year and about 20 new students to pick from for next year's team.

With a new district and a new coach, 23 Tennis Team members did well. The new coach was Mr. Mike Moffett, and the new district was 8-4A. Tennis Team members were on a ladder system. To advance on the ladder, students challenged the one above them. The challenger played the challengee. If the winner was the challenger he would take the place of the other. If the challengee wins, the ladder stays the same. At Bowie, the Texans split the tournament with Mary Wilson, Scott Henderson, and Janet Hill winning their matches. Also winning their match was the doubles team of Larry Usher and Mark Kinman. On February 14, Sam played Burleson and took five of eight matches. Mary Wilson won her matches 6-0 and 6-3.

Hillcrest Church of Christ, 1401 Hillcrest Dr., Arlington, Texas

Little Known Truths from the New Testament:

1. The whole of the Christian's being and life is his "worship" to God.
2. From the moment one becomes a Christian, his life is spent in God's Temple (and that isn't a church building).

If you Are a Thinker, You Will Ask This Question:

1. If entering a church building is not entering God's Temple, and if your worship is your life wholly devoted to God, why go to church?

Arlington students meet for fellowship.

The Answer Is:

1. That you may be strengthened. Singing and praying are examples of activities that edify.
2. To remember Jesus. We remember Jesus in the Lord's Supper.

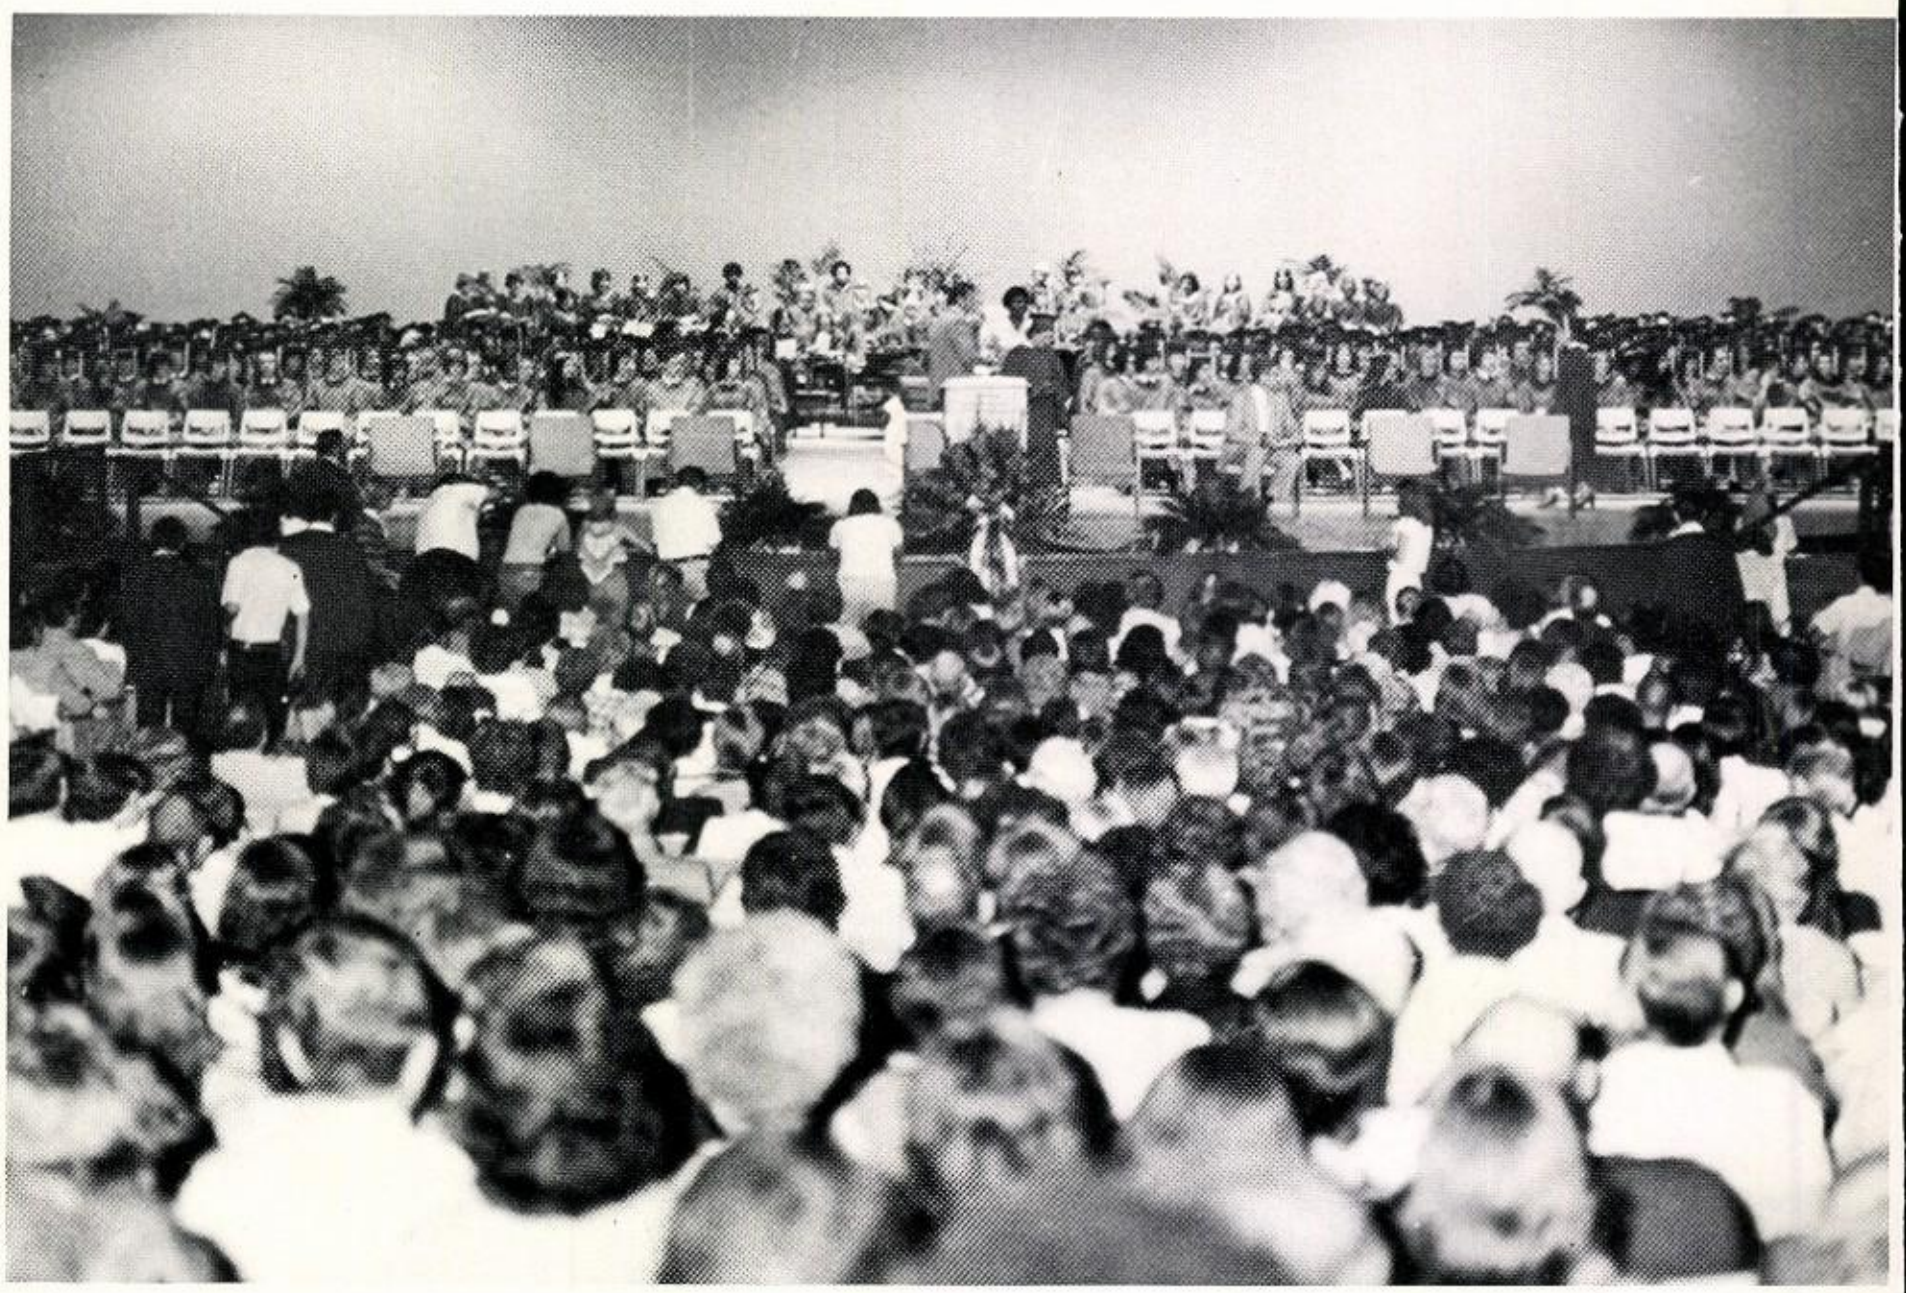
12 years summed up in one night equal graduation



A

Graduation! The graduating class of 552 held their commencement at Texas Hall on Thursday, June 2. Earlier that week on May 29 seniors attended baccalaureate services at UTA. Senior Class officers took parts on the program at vespers, while Student Congress officers spoke at graduation. Dr. Warren Neal of First Presbyterian Church was the baccalaureate speaker. Highlighting graduating were talks by Supt. James Covert, valedictorian Donna McClure, and salutatorian Pattie Thomas.

. . . and it all came to an end

As the year ends, students looked back on special activities. Their memories included events that were met by especially active weather. The rain poured on Homecoming and drizzled on Texan Day. It seemed as though there were constant clouds in the sky. The humidity was always in the air with the proof being that everyone's hair was either straight or frizzy. The winter weather reached record lows, and we missed two days of school. One of the days was for snow, and the other day was for low power on an unusually cold and icy day. This is not to mean that we didn't have some sunny days. It's just that we've never had the type of weather that we've had this year, and boy have we had some weather!

(A) After the January snowfall, students spent the between class breaks outside, having a friendly snowfight. (B) The snow blanketed the courtyard. (C) Sunglasses are proof that despite the weather, the sun did shine over Sam Houston.

D

(A) With the abundance of rain throughout the year, Sam students were found with "wet feet" in the halls. (B) On sunny days, the classes on Sam Hill were very relaxing. (C) For most of the year, the sky above Sam Houston seemed to hide the sun with the clouds. (D) Vicki Owen fell with a "squish" on the new fallen snow from the January storms.

What did the year '76-'77 mean to Sam Houston and its students? It meant schoolwide involvement in all special activities and award winning departments. Honors and recognition were given to band choir, drill team, VICA, DECA, OEA, journalism, speech, drama, and many sports. But Sam Houston has been involved in national affairs, also. Our building was the site of swine flu vaccinations last fall. It was opened as a free clinic in a nationwide effort to combat the epidemic. We also kept up with national politics and held a Mock Presidential Election. The students, in accordance with the nation, voted for Jimmy Carter as President.

(A) The Arlington symbol is proof that it is a growing and involved city. (B) Seniors enjoyed the May 4 breakfast, which traditionally is sponsored by the juniors. (C) Between classes, Sam Houston halls were like traffic jams. (D) Texan Day sheriffs enjoyed the target practice before shoot-outs began.

(A) Mr. James Adams could always be depended upon to help solve a problem. (B) Diane Briggs went all the way with Texan Day by bringing her horse! (C) David Reed and Scott Moss were often seen together, especially when time came to study. (D) Amy Desens usually was around to work on the annual, even when times got hard! (E) "It doesn't take brains to be happy!" declared this youngster. (F) Dennis Brown took one final look at his years at Sam and wondered what faces his future will have in store for him to meet.

The real purpose of this yearbook is to show the present day view of the school, while incorporating its proud past history into the story.

We have attempted to present to you the history of the State of Texas, Sam Houston . . . the man, and most of all, Sam Houston High School. Against a background of Texas and Cherokee history, we have shown present day activities of our school, its faculty and students.

They are the true grit of the Mighty Sam Houston Texans . . . these faces in the crowd.

We feel that the Cherokee has covered the "Roots" of Sam Houston, as well as all phases of the school-year, 1976-1977.

We hope that we have caught a glimpse of each proud Texan in our Cherokee or have represented each of you in some way.

"May the road always rise up
to meet you,
May the wind always be at
your back . . ."

Thanks pardner, for letting us cover your story.

B

Working on the staff this year has been a lot of hard work and fun! There were 18 staff members that worked from August '76 to August '77 to produce this fourteenth volume of the Cherokee.

Organizing personalities for tne Cherokee were Corby Bryant and Cathy Marshall. Their responsibilities included setting up school elections, counting ballots, and keeping election outcomes a secret until officially announced.

Organizations was put together by Amy Desens and Beverly Sisney. They gathered all the information about the clubs and their activities and wrote copy for their section.

Activities was done by Jamie Williams and Ken Mlynar. They covered all special days and events that happened at Sam. Ken did all the division page artwork for the Cherokee.

Debbie Miller and David Moseley created the faculty section. They continued the informal look of their section by picturing all the teachers in candids rather than mug shots.

Koby Waldeck and Tommy Danner worked on the sports section. It was a busy year for both guys were members of a varsity team themselves.

Bobbi Braziel and Lucas Rangel were classes editors. Their entire section was due on the first deadline in early December. The rest of the year, they worked on the index.

The advertising section provided the annual with some financial support. Brenda Hanby and Vivian Black were the advertising managers, and they sold over $3000 worth of ads.

Joe Pulice was the Cherokee business manager and David Hankins helped out everyone as the sophomore on the staff.

Eileen Hollingsworth was our copy writer. It was her duty to originally explain all the activities that happened. The dictionary and Roget's Thesaurus were her handy aids.

We were proud of our subscription sales this year. We had 1310 annuals printed, which is 110 more than the past. The staff really got involved in the sales with everything from signs to dressing up in animal costumes to draw attention to the project.

Within the staff, we had competition for the staffer who could sell the most subscriptions. Senior Debbie Miller, won the competition and got a free pizza.

We took on a big project for Texan Day by having the "Sam Hill Tavern — The Shakiest Saloon in the West." We had live entertainment from Debbie Miller, Tommy Danner, Vince Gonzales, and Jon Stephens. Serving strawberry, chocolate, and vanilla shakes, the saloon was set up in the auditorium lobby.

Our annual is 360 pages, and Ivy Industries in Arlington did all of our typesetting. The final printing was done by Taylor Publishing Company in Dallas. Our headlines were set in 20 point Helvetica Medium type, body copy was set in 9 point Helvetica Medium, and cutlines were set in 8 point Helvetica Medium. The paper used was 80 lb. Warren Enamel.
